4 Bedroom Terraced

£252,000.00

Guide Price

Investment Property in central location pre-let to August 2025 with a gross annual income of £27002.

The property features large bedrooms, two of which have luxury en-suites, whilst the other rooms share a lovely shower/bathroom decked out in blacks and chromes.

The downstairs of the house features a large lounge leading through to a dining room. At the rear of the property you will find the kitchen/diner with plenty of space for you all to cook at the same time.

Set over three storeys, you wont find many houses with more space.

An added bonus to this house is the roof terrace which is a perfect spot for a barbecue when the sun is shining.

At the rear of the property there is a Large garage with pithed roof.

Viewing highly recommended.
